Sir:

DECLARATION UNDER 37 C.F.R. § 1.131

I, Grant DuBois, state that I am a named applicant of the above-identified application and that I am an inventor of the subject matter described and claimed therein. I declare that:

1. I am currently the director, Sweetener Platform, with the Coca Cola Company where I have been employed for the last 12 years.
2. All experiments described below were performed at my direction and under my control, and although the dates of these experiments have been redacted, as has other proprietary information, the experiments described below were performed before April 12, 2001, as evidenced by the following:

A. Exhibit A: Page 157 of Laboratory Notebook number 2519 of Sandy Ryan, showing the production of a reduced calorie frozen dispenser beverage.

3. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and

Application No. 09/838,809
Attorney Docket No. 07738.147

further, that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patents issuing thereon.
